

Wow! Day Paxton Pits-St Neots Walk

From The Wow! Hub at Paxton Pits return along the path towards the river. At the junction of the paths continue straight following the sign to the OVW. After a short distance take a left fork (1) to continue on the path and reach the river. Continue with the river on the left. Follow the grass path beside the river, and carry on along the sandy path through trees. The OVW path leaves the nature reserve and continues with houses on the right and the river on the left (not always visible). When the path reaches the road at St Neots Lock (2) turn left immediately. Stay on the footpath, crossing the river, and continuing to the busy three-way traffic light junction on Mill Lane. You are strongly advised to cross with the pedestrian lights. Go through the gate (3) onto Lammas Field.

1

2

3

The path gradually swings right across the meadow through a gate. The path takes you to the river, where you continue with it on the right. You come to another gate with a view of St Neots (4). Go through the gate and follow the path across the meadow.

4

5

6

Leave the meadow through a gate and cross the road into a lane. There follows a short section through the lanes and streets of St Neots to reach the Riverside Park. Take care watching for traffic and pedestrians. Leaving the lanes turn right onto St Anselm Place (5), avoiding Waitrose car park ahead of you. Turn left at the end of St Anselm Place, around another car park, to reach this distinctive building (6). Turn right here and then left.

7

8

9

Go past the Priory Centre (7) on your right, and continue to Bridge House (8) and St Neots High Street where you turn right to cross the river. There are steps down to Riverside Park. Go under the bridge into the park. Follow the path towards the car park and to the Wow! St Neots Riverside Park Hub St Neots, just outside the Ambiance Café (9). Well done!
